

Lower case letter names

Help Gogo say the name of these letters. Point to each one and say it clearly, as sometimes Gogo does not hear so well.

Put a tick in the box underneath each time you say sound correctly. Then choose a friend or your teacher to also say them.

a	l	s	h

Look at the letters again and tell the monkeys what sound they make (this is what you will hear in a word).

Say the name of each picture out loud. Can you identify the sound it starts with? Draw a line to the sound that it begins with. The first one has been done for you.
