

Number names

Here are the **number names** for the **number symbols** 1 to 20. Read each number name and write it next to its correct number symbol. The first one has been done for you.

one	nineteen	two	fifteen	eleven
six four	eighteen	twelve	twenty	three
five	seven	nine	ten	eight
	seventeen		fourteen	sixteen

1	one	6		2	
4		8		19	
3		13		20	
16		15		7	
17		10		9	
5		11		12	
		14		18	

Practise counting 1-20 forwards and backwards. Start from various numbers for example 5 to 20, 18 to 2. Show flashcards with number symbols and then read them and say their names.

Numbers, Operations and Relationships

Number symbols and number names: recognises, identifies, reads and writes symbols and number names 1 to 20.
