

Time questions

Mrs. Maneli has some time questions for you. Draw a circle around the correct option to make each sentence make sense. The first one has been done for you.

Lerato woke up early this morning / afternoon.

Mrs. Maneli woke up at sunrise.
It was very early / late.

You can see the stars and moon at night / afternoon.

The school day ends in the morning / afternoon.

Lerato eats her breakfast in the afternoon / morning.

Discuss language of **early** and **late**; **morning**, **afternoon** and **evening**. What do learners do in the morning? What do learners do in the afternoon? What do learners do in the evening?

Measurement

Time: describes when something happens using language e.g. morning, afternoon, night, early, late.
