

## Baby Cow's day of fun

Read this story.

One day Baby Cow decided to go for a walk. First she went to visit Gogo and eat some carrots. After that she trotted along to see the children at the school. She loved going to school. Then she went for a swim in the dam with the monkeys. It had been a very long day and Baby Cow was very tired so she finally went home to bed.

Look at the picture story on page 16. It is a bit mixed up. Can you number the pictures so that they match the story above? Label the boxes 1-6. Lerato has done the first one for you.

Do you know what the setting of a story is? It is where the story happens.  
What places does Baby Cow visit in the story?

We can use words to help us order events such as **firstly**, **then**, **after that**, **before**, **finally** etc. Discuss the meaning of words and how they can help us order the events in the story.

## Reading and Phonics

**CAPS**  
Grade 1 Term 3

Identifies the sequence of events and the setting of the story.
