

Place value

= **10** is a group of **ten**.

= **3** is a group of **units**.

1 Draw cubes to show the numbers, below:

Number	Tens	Units
13		
12		
15		
18		
20		
26		
25		

2 Complete the table below:

Number	Tens	Units
11		
19		
23		
		
21		
14		
23		
		
		

3 Fill in **tens** or **units** and the number:

Example: = 4 **units** = 4

= 5 =

= 2 =

= 3 =

= 10 =

4 Break up these numbers into **tens** and **units**. The first one has been done for you.

16 = 12 =

19 = 22 =

15 = 25 =

23 = 17 =

16 = 20 =

Numbers, Operations and Relationships

Decomposes two-digit numbers into multiples of tens and units/ones.
