

Expressive texts

Writing a postcard

- 1 Write a **postcard** to Lerato telling her about your holiday. Your message goes on the left. The date and Lerato's address go on the right-hand side. Tell her where you are on holiday, who you are with and something you have done.

Date:	
Dear Lerato	
	Address:

- 2** Write a short **thank-you note** to a friend to thank them for coming to your birthday party and for the present that they gave you. Remember to say what the present is and what you have been doing with it. Start your note with 'dear' and end it with your name. Remember to write the date on the right.

Date:

Dear

Explain the layout of a postcard, and that postcards and thank you notes use short sentences.

Writing

Writes an expressive text such as a thank-you card or letter using a given format.
