

Double consonants

Begin by reading this diary entry from Thandi.

Dear diary

Today was great! Andrew, Lerato and I learnt a new soccer **skill** in Sport. Let me **tell** you about it. We learnt how to **pass** the **ball** and **call** to each other. It is important to **call** when you **pass** so that your team knows who has the **ball**. If we do **well**, I hope that our sports teacher, Mr. Nzimande, will say that we are very good at this new **skill** and **tell** Gogo. Tomorrow, we **will** practise it again!
