

Onset and rime

Look at the fish in the tank. Some of them have an onset **beginning** sound on them. Others have a rime **ending** sound.

Write the onsets and rimes in the correct spaces.

Onsets:

Rimes:

Try joining some of these sounds. They do not all make words. Say them out loud to someone near you.

Real words:

Nonsense words:

Select four words from your **real words** list and use them in a sentence each.
